

## **So how does my giving make a difference?**

1. AnewChurch.TV is a non-profit, tax exempt corporation in the state of Oklahoma. We exist to reach the lost and the “unchurched” people in our community. We average over 100 people per year who come to know Christ, and 40% of them are baptized in water. We also help over 100 benevolent needs each year including food, clothes, utilities, transportation, or shelter for families in need.

2. Our budget is distributed as follows:

1/3 Overhead – Mortgage, utilities, supplies, repairs, etc.

1/3 Staff – Full time, part time, contractors, etc.

1/3 Ministries - Kids, men, women, media, music, missions, benevolence, host team, youth, camps, conferences, etc.

3. We have no outside funding sources such as grants, sponsors, etc. We are fully funded by your tithes and offerings. It is because of your faithful generosity, we are making a difference in Enid.
