

## The River

Verse 1

(capo 5)

**G**            **D**            **Em**            **C**            **G**  
When I was held up in chains The river was free  
                         **D**            **Em**            **C**            **G**  
When I was covered in stains The river was clean  
                         **D**            **Em**            **C**            **G C G**  
When I was losing my way The river found me

---

Chorus

**G**            **C**  
And I can see the river I can feel the river  
                         **Am**            **C**            **G**  
I'm letting go of all I hold onto Let it wash away

---

Verse 2

**D**            **Em**            **C**            **G**  
When we were broken inside The river was love  
                         **D**            **Em**            **C**            **G**  
When we were thirsty and dry You were more than enough  
                         **D**            **Em**            **C**            **G C G**  
When we were drowning in lies The river saved us

Chorus 2

**I'm dancing in the river** **G** **And I'll be here forever** **C**  
**I'm letting go of ev'rything but** **Am** **You** **C** **Carry me away** **G**

---

(BRIDGE)

**Carry me away** **C** **Carry me away** **G**

**Carry me away** **D** **Carry me away** **Em**

**I can see the river** **G**

(Chorus)
